Local School District

Crawford Ausable School District Operating Millage Renewal Proposal

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2020 tax levy.

Shall the currently authorized millage rate limitation of 18 mills ($18.00 on each $1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Crawford AuSable School District, Crawford, Otsego and Kalkaska Counties, Michigan, be renewed for a period of 2 years, 2021 and 2022, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2021 is approximately $6,373,889 (this is a renewal of millage that will expire with the 2020 tax levy)?
