**Any Given Friday:** Picture left, Meijer owner Hank Meijer who after landing was driven by our local store GM Al Blackburn in a Gaylord Airport Courtesy Car. Since it was airshow t-shirt Friday and Meijer is a sponsor Hank is also sporting a Wings Over Northern Michigan T-shirt. I am told this picture will be posted in every store and on all Meijer social media applications. Meijer's has almost 300 stores, employs over 72 thousand with an annual revenue of \$15.8 Billion in sales.

Pictured Right is our crew with Kirk Steudle, The Director of all Michigan Transportation responsible for Michigan Air, Roads, Rail and Waterways. Of course I told him all about our airport and the great support we receive from our county government and local community.

Left: the annual Kiwanis Kids Bike Rodeo at the airport was Sat the 21<sup>st</sup>. The 7<sup>th</sup> installment of the bike safety day had great sunny weather!

Right: was completion of last years taxi lane re-pavement project with the painting of new lines on the brand new asphalt.
