Affidavit and permission for township, county, and state officials to enter the property for inspection of proposed division:

I agree that statements made in this application are true and if found not to be true, this application and any approval will be void. Further, I agree to comply with the conditions and regulations provided with this parent parcel division. Further, I agree to give permission for officials of the township, county and state to enter the property where this parcel division is proposed for the purposes of inspection. Further, I understand this is only a parcel division, which conveys only certain rights under the applicable local land division ordinance and the State Land Division Act [(formerly the Subdivision Control Act, P. A. 288 of 1967), as amended (particularly by P.A. 591 of 1996), MCL 560.101 et. seq.] and does not include any representations or conveyance of rights in any other statute, building code, zoning ordinance, deed restriction or other property rights.

Finally, even if this division is approved, I understand zoning, local ordinances, and State Acts change from time to time. If changed, the division made here must comply with the new requirements (apply for division approval again) unless deeds, land contracts, or long-term leases (30 years or more) are recorded with the Register of Deeds or the division is built upon before the changes to laws are made.
