

Press Release

Construction in Downtown Gaylord

Main Street (M-32) in Downtown Gaylord will be closed to traffic beginning on Monday, October 10th at approximately 7:00 am. It will remain closed through Friday, October 14th until approximately 7:30 pm. This is a scheduled closure which will allow the construction and connection of key public infrastructure crossing the roadway. The roadway will be closed to all traffic at the Railroad tracks to through and including the Center Avenue intersection. The intersections at Main Street (M-32) and Center Ave., Otsego Ave. , Michigan Ave. and Court Ave. will also be closed to traffic. The traffic detour will move east bound down Wisconsin to S. Otsego to First St. to Oak Ave. The westbound detour will direct traffic to Mitchell St. We would like to remind the community that all businesses in this closure area will remain open and we ask everyone frequenting them to access the businesses using the back parking lots and entrances.

We thank you for patience during this construction closure.
