

Louis M. Groen Nature Preserve – Otsego Lake County Park – Irontone Springs – Wah Wah Soo – Libke Fields – Community Center – Pontresina Park

February 5, 2021

As we have previously communicated to the community, the Otsego County Parks and Recreation Commission remains committed to safely opening up our activities and programs as soon as we can.

The Otsego County Parks and Recreation Department is excited to announce the expansion of the partial re-opening of our Community Center on Monday February 8, 2021. In compliance with the most recent MDHHS orders, we are now able to open for **Volleyball** and **Basketball Leagues** along with continuing to have our **Children's Playgroup** and **Pickle-Ball**.

The current order from MDHHS allows the Community Center to open for certain activities, and sport leagues. Unfortunately, our after school activities are not yet allowed. However, we will be prepared to safely re-open these activities as soon as we are allowed to.

Our staff has heightened all sanitization efforts so we can offer a clean, safe environment.

Please note that masks are required at all times even during competition.

We look forward to seeing you soon!
