Gaylord, MI

**RFP 2013-04**

August 5, 2013

Dear Vendor:

Thank you for your participation in Otsego County's Request for Proposal process for Bid 2013-04, for cleanup and demolition of properties in Gaylord, Michigan.

We have prepared a Clarification Notice Number One (1) to the RFP to provide clarification pertaining to the following questions:

**Question 1:** Will the contractor be required to pull permits, and if so, who will pay for the permit?

Response: Contractors are required to pull any required permits including from the Otsego County Building Department. The cost, however, will be paid by the County. The bidding contractor should not include the cost in their bid response.

**Question 2:** There are overhead power lines coming onto the property to poles near the mobile homes at 529 Arbutus Court and 6026 Timberland Trail. Will it be the contractor's responsibility to remove those lines?

Response: No. The County has begun the process of having those lines removed.
