Clarification/Addendum #2

Request for Proposal
Sportsplex Tennis Court Project
Gaylord, MI

RFP 2017-08

June 8, 2017

Dear Vendor:

Thank you for your participation in Otsego County's Request for Proposal process for Bid 2017-08, for construction of tennis courts at the Otsego County Sportsplex.

We have prepared a Clarification/Addendum Notice Number Two (2) to the RFP to provide clarification pertaining to the project.

Change: Addendum 1, under item 7 on the first page mentions that aggregates for the project are being donated. As of today's date, the aggregate donation has not been secured. The purpose of this addendum/clarification is to make it clear that bidders must include the cost of aggregate within their bid. However, if a donation is later secured, the cost may be backed out prior to construction. Bidders should make the cost of aggregate clear within their submitted bid.

Respectfully,

John Burt
County Administrator
