Gaylord Alpenfest Grand Parade

July 24th 2018

The Gaylord Alpenfest Grand Parade is the culmination of 53 soon to be 54 years of work. The Alpenfest Grand Parade (AGP) is the last celebration of our weeklong festival.

In the past we have staged the AGP in the park area between Illinois and South Otsego Ave., unfortunately that space will no longer work for the staging area. The split rail fence with the planted border makes it very difficult to park the floats and vehicles.

We are humbly requesting that the Parks and Recreation Committee consider not planting trees, shrubs and plants in the new space opened up by the removal of the 911 building, however allow it to be a pretty green grassy area that we can safely use for staging the AGP.

On the map we have provided, it shows how we could keep the AGP in the current location and not have to struggle inside the fenced in area.

We could stage in the green area outside the fence between the railroad and Otsego Ave, down the dirt road, beside the green barn, across from the green barn, and down S. Illinois Ave.

We understand that our request is for a one day event, however it is a one day event that honors our great community.

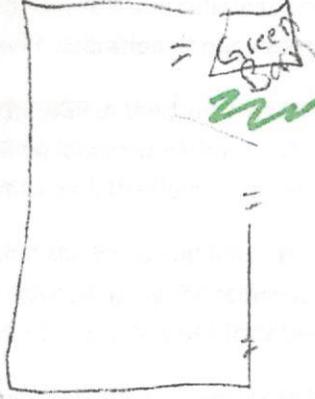

Thank you for your consideration, I am happy to take any question you may have.

Respectfully submitted,

Kari Jo Stefanski and Denise Pallarito
