FAA Entitlement projects with the help of local County matching funds will improve our airport infrastructure over the next two years. This includes:

- 2014 Layout Planning and Development
- Orange 2015 Taxi Ramp Replacement
- Yellow 2016 New Taxiway for Hangar Expansion

Please welcome and say hello to Guy LaCross who joined our airport family this year. Previously from the airport in TC, Guy is a great addition to our team.

Aircraft flying to Gaylord not only get great service from our team but now they truly get the "red carpet treatment". Visitors have responded positively to the extra touch!
