**To:** Otsego County Board of Commissioners

**RE:** Master Plan

The Otsego County Planning Commission is recommending the following to the Otsego County Board of Commissioners:

Motion made by Mr. Mang to recommend the revised updated Otsego County Master Plan dated December 21, 2014 to the Otsego County Board of Commissioners; Seconded by Mr. Arndt.

Motion approved unanimously.

The following sections of the Master Plan have been revised and/or updated:

- *Table of Contents* – The table of contents has been revised to coincide with the new numbered pages
- *Statistics* – Dates and statistics updated for climate, population, employment, income, housing... All tables being updated using the latest agency information and 2010 census data
- *Prime Forest Land* – A paragraph has been added pertaining to prime forest lands within the County (This was overlooked in the 2009 Master Plan)
- Addition of a *Otsego County Transportation Map* provided by MDOT
- *Public Facilities and Services* section revised
- *Hospitals, Health Services and Human Services* section revised with a table listing agencies and phone numbers
- *Utilities* section revised with current information and updated to include the new Alpine Power Plant
- *Educational Facilities* section revised with additional information on MTEC and the University Center
- *Recreational and Cultural Facilities* section updated and also the addition of the Groen Nature Preserve along with a map of the property
- *Land Uses* section revised
- *Maps and Figures* relabeled as needed
- Addition of a *Prime Forest Lands Map* and a *Proposed Trail System Map*
- Typos and formatting corrected
