“Far Right of the Maintained Portion of the Road” means the shoulder of the road when the roadway is improved by pavement, tar and chips, concrete, or other similar materials and means the extreme right of the open portion of the right-of-way when the roadway is not improved by pavement, tar and chips, concrete, or other similar materials.

“Forest road” means a hard surfaced road, gravel or dirt road, or other route capable of travel through state owned land by a 2-wheel drive, 4-wheel conventional vehicle designed for highway use, except a state or federal road or a county primary or county local road.

ORV, however, does NOT include a registered snowmobile, a farm vehicle being used for farming, a vehicle used for military, fire, emergency, or law enforcement purposes, a vehicle owned and operated by a utility company or an oil or gas company when performing maintenance on its facilities or on property over which it has an easement, a construction or logging vehicle used in performance of its common function, or a registered aircraft.
