**FOR IMMEDIATE RELEASE**

The Otsego County Sheriff's Office, in conjunction with the Otsego County Prosecutor's Office and the Otsego County Board of Commissioners are pleased to announce the implementation of a drug turn in and disposal program. This program will allow individuals to bring in unused, unwanted or outdated medications to the Sheriff's Office for disposal by Sheriff's Office personnel. With the growing concern of medications contaminating ground water by being flushed into city sewers and private drain fields, not to mention the possibility of prescription narcotics being taken from private garbage after being discarded, a safe, effective alternative has become necessary. This public service is offered free of charge and aside from some Sheriff's Office bookkeeping measures, no questions will be asked. Medications (pills only; we are unable to accept liquids, needles, etc.) may be turned in at the Otsego County Sheriff's Office at any time.

Please contact the Otsego County Sheriff's Department at 989-732-7555 for further information.
