- b. *Open Public Hearing*
- c. *Public Comment (3 minute limit)*
- d. *Close Public Hearing*
- e. *Planning Commission Discussion*
- f. *Findings/Motion*

Chairperson Hartmann stated the proposed amendments had been reviewed by committee and sent to townships; he opened the public hearing for input.

Public hearing opened: 6:01pm

Mr. Churches stated positive input had been received from townships but misinformation had been posted on *Facebook* concerning day care facilities; the proposed amendments actually reduced restrictions on day care facilities and made it easier to own and operate a day care in Otsego County. This would be a positive change as child care is very necessary and difficult to find. He read through all the amendments and explained that proposed changes were needed to coincide with State statute in the Michigan Zoning Enabling Act. He

Otsego County Planning Commission

Approved Minutes for September 16, 2019

stressed that day care facilities were not considered a home occupation and would not be held to those requirements.

Chairperson Hartmann stated an article had been printed in the Herald Times to try and clarify the proposed changes and address the misinformation being shared.

Mr. Stults stated the planning commission had previously addressed the issue years ago and had changed language to comply with State law at that time; State law was amended and the Ordinance language was now being updated to reflect those changes. He stated State statute would override the Ordinance regardless.

Mr. Borton thanked Land Use staff for bringing the changes forward and encouraged research for any other changes needed to comply with State statute.

An audience member questioned the *Facebook* post and information she had read online.

Mr. Churches clarified that a day care facility was not considered a home occupation and was not held to the requirements of one.

Chairperson Hartmann requested further input, hearing none, closed the public hearing.

Public hearing closed: 6:09pm

Reports and Commission Member's Comments:

1. Otsego County Parks & Recreation report/Judy Jarecki

Mrs. Jarecki stated the Park's meeting had been held at Pontresina Park (*aka Otsego County Dog Park*) – the park was quite busy and well attended – they had also received a request to section off a portion of the park for use by more timid animals; the new entrance to the Groen was scheduled to open Memorial Day weekend of 2020 – a year-round part time ranger had been hired at the Groen with a recommendation to hire a third; a

Approved Minutes for September 16, 2019

sump pump will be installed at the County Park ranger station to prevent water seepage due to the high water table; estimates were received and new floor options for the Community Center were still being considered – a part time worker for the Community Center is being sought as well.

2. Land Use Services report

Mr. Churches stated another request for a storage unit site had been received. It was located back off Old 27 South across from Gaylord High School; it was an addition to an existing site located to the south on an adjoining road. Mr. Churches also stated issues with AirB&B's, short term rentals seemed to be on the rise and wanted to bring it to the Planning Commission's attention as it was already a hot topic at the State level. Land Use did not feel this was something Zoning could enforce as staff was not available 24 – 7.

Mr. Brown stated one of the complaints in Charlton Township was of renters trespassing on neighboring properties.

Mr. Borton stated if laws were being broken, there were other entities already entrusted with dealing with issues such as trespassing or noise. There were many property owners following the rules running successful businesses and he did not feel it fair that undo hardships be placed on them for the owners who did not comply; rental businesses also generated a good amount of revenue at the State level.

Mr. Stults stated the issue had been discussed previously from Lake Louise residents and suggested reviewing the minutes for insight.

Chairperson Hartmann requested member's comments.

Mr. Borton stated he had missed August's meeting because he had attended the Michigan Association of Counties (MAC) annual conference. He had completed his term as president of MAC and was now seeking the office of state representative. He had kicked off his campaign with a get together and was quite happy with the turn out.

Ms. Corfis stated Land Use staff had attended Otsego Lake Township's last Planning Commission meeting; it was a productive meeting with mutual discussion.

With nothing further, Chairperson Hartmann adjourned the meeting.
