

Gaylord Regional Airport NEWS

I know these are only quarterly newsletters and I just sent one out in November but didn't want to miss the opportunity to wish everyone well! So from all of us here at the Otsego County, Gaylord Regional Airport to all of you have a Merry Christmas and a blessed New Year to you and yours in 2020!

Pictured left: Is our (3PF) event which stands for Pilots, Police, Paramedics and Firefighters Breakfast. This will be the 9th year of the event started by our very own Customer Service Rep Shari Rivest. It's a small thank you to all those that help support our airport and protect our community all year! When almost a foot of snow falls it's all hands on deck! Below: Brian and Shari help dig us out. Two members of our "mission first, can do" team.

Our friends at FedEx and at UPS / Martinaire are all ramping up for deliveries! Cargo Tons and flights increase over the holidays. Even Santa needs a little help from time to time!
